Great Lakes Loons Fundraiser a Success!

July 16, 2007

The Little Forks Conservancy's July 13 fundraiser at Dow Diamond was a tremendous success. Approximately 60 people attended the event, which was held at The Landing, a private patio on the stadium's suite level.

The event raised a total of \$3,270 for the Conservancy's Defense Fund. The Defense Fund was established for the defense of the Conservancy's interests in land created either by ownership or through a conservation easement.

After enjoying a gourmet buffet, which included salad, rice, roast potatoes, ham and prime rib, guests settled in to enjoy the bird's eye view of the ball game.

The stadium's record crowd of 5,795 looked on as the Great Lakes Loons defeated the Burlington (Iowa) Bees 6-5 in their first tenth inning in Loons history.

The Little Forks Conservancy thanks all who attended and congratulates the winners of the door prizes!
